

Overview:

This mat table was developed in conjunction with the Bobath Centre in London and provides probably the most firm and stable treatment surface available. Being identical in specification to our 'Bobath' couch but without the adjustable backrest and breathing hole. With a width of 102 cm and lowering to just 42 cm it is perfect for use in hospital gyms & physiotherapy departments. Now safely lifts 320kg from its lowest point.

Standard Features

- UK Manufactured
